

KLOVE keeps me informed as to the local goings on in the Christian community. It keeps me positive and motivated for the day so that I affect everyone with a smile. This is the only station I listen to anymore. If you were to remove KLOVE I would be without radio for my family. It has made such a positive impact on all of us in the community as it offers counseling, tips on living and support. Keeping KLOVE is what our public needs to live life in the 21st century. We need to be lifted up and encouraged in this negative and self-centered world. We need to be reminded what we're living for.
